"The petition of the electors of the City of Chilliwack, B. C., qualified and competent to vote at the election of a member of the House of Commons in the said City of Chilliwack, respectfully shows that your petitioners are desirous that Part II. of the 'Canada Temperance Act,' should be in force and take effect in the said City of Chilliwack.

"And that we desire that the votes of all the electors of the said city be taken for and against the adoption of the said petition.

"Wherefore your petitioners humbly pray that Your Excellency will be pleased, by an Order in Council under the 109th section of the said Act, to declare that Part II. of the said Act shall be in force and take effect in the said City of Chilliwack.

"And your petitioners will ever pray, etc."

And whereas it appears by evidence to the satisfaction of the Governor-General in Council that such notice has appended to it the genuine signatures of one-fourth or more of all the electors of the said City of Chilliwack, the number of the signatures to the notice proved to be genuine being one hundred and forty-nine, and that the other requirements of the law have been observed;

And whereas an Order of the Governor-General in Council has been passed directing that the votes of all the electors of the said City of Chilliwack be taken for and against the adoption of the said petition:

NOW KNOW YE, that We do hereby, and by virtue of the authority vested in Us by the said Act and Order in Council, proclaim and declare, that on Wednesday, the 14th December next (1910), a poll will be held in the said City of Chilliwack for taking the votes of the electors for and against the said petition. That such votes will be taken between the hours of 9 o'clock in the forenoon and 5 o'clock in the afternoon of that day and by ballot. That Henry Ashwell, of the City of Chilliwack aforesaid, has been appointed the Returning Officer for the purpose of taking on that day the votes of the electors for and against the petition, and of afterwards summing up the same and making a return of the result to the Governor-General in Council. That the said Returning Officer is empowered and required to appoint a Deputy Returning Officer at and for each polling-place or station. That the Returning Officer will appoint persons to attend at the various polling-stations and at the final summing up of votes on behalf of the persons interested in and promoting or opposing, respectively, the adoption of the petition, at the City Hall, at the said City of Chilliwack, on Friday, the 9th day of December next, at 10 of the clock in the forenoon.

That the votes of the electors will be summed up and the result of the polling declared by the Returning Officer at the said City Hall, on Friday, the 16th day of December next (1910), at 10 of the clock in the forenoon. And in the event of the petition being adopted by the electors, the Governor-General in Council may, at any time after the expiration of sixty days from the day on which the same was adopted, by Order in Council published in the Canada Gazette, declare that the second part of the said Act shall be in force and take effect in such city upon, from, and after the day on which the annual or semi-annual licences for the sale of spirituous liquors then in force in such city will expire, provided such day be not less than ninety days from the day of the date of such Order in Council, and if it be less, then on the like day in the then following year; and if there are no licences in force in the said city then that the second part of the said Act shall be in force and take effect in the said city from and after the expiration of thirty days from the date of such Order in Council.

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed.

WITNESS, Our Right Trusty and Right Well-Beloved Cousin and Councillor, the Right Honourable SIR ALBERT HENRY GEORGE, EARL GREY, Viscount Howick, Baron Grey of Howick, in the County of Northumberland, in the Peerage of the United Kingdom, and a Baronet; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order, etc., etc., Governor-General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of Ottawa, this third day of November, in the year of our Lord one thousand nine hundred and ten, and in the first year of Our Reign.

By Command.

(*a.*) "The applicant to at once pay into the Department of the Interior the sum of 25 cents per acre."

(*b.*) "The applicant to furnish the Department of the Interior, prior to 1st August, 1907, with a plan and profiles by an engineer showing the proposed irrigation works, the source of water supply, and the portions of the lands applied for proposed to be irrigated, all to be satisfactory to the Minister of the Interior."

(*c.*) "The applicant to put into operation his irrigation scheme within three years of the date of the approval of this Minute of Council, and show within that period and to the satisfaction of the Minister of the Interior that he has successfully irrigated not less than 500 acres of the area applied for."

"If, however, the applicant complies with the conditions set out under (*a*), (*b*), and (*c*) and pays into the Department of the Interior upon the successful completion of his irrigation scheme the balance of 75 cents per acre, he, the Minister, recommends that he be authorised to issue patents to the said applicants for the lands set out in the said Schedule 'A.'"

That on the 14th December, 1906, Dr. M. S. Wade applied to the Department of the Interior for certain additional parcels of land, comprising an area of 581 acres, and set out in Schedule marked "B," attached contiguous to the lands set out in Schedule "A" which, he stated, were suitable for irrigation and necessary to complete his project. This application was favourably considered by the Department of the Interior and the amount of 25 cents per acre paid, all subject to the approval of the Governor in Council.

That Dr. M. S. Wade, on the 16th April, 1908, assigned his interests in the irrigation of the lands set out in Schedule "A" to the Barnes Estates, Limited, which Company has bonâ fide carried on and has satisfactorily complied with the first three requirements of the Order in Council, dated 18th April, 1907, above referred to, and is now entitled to patent for all the land set out in Schedule "A" upon the successful extension and completion of the irrigation system to cover all the irrigable area.

The Minister further states that last April an engineer of the Department of the Interior made a report on the development operations to that date of the Barnes Estates, Limited, and he reported that this Company had proceeded with its irrigation project with despatch and credit, that the ditches, canals, flumes, etc., were of a very permanent, substantial and efficient nature, and he recom-

mended that, under the provisions of the Order in Council above referred to, 1,390.6 acres of land covered at the date of his inspection by the irrigation works then completed should be immediately patented, and that upon the extension of the irrigation works over the remaining land set out in Schedule "A," and subject to a favourable report upon a second inspection, patents should be issued for it. In regard to the additional parcels of land set out in Schedule "B," he reported that these lands were absolutely useless for cultivation without water; that water could only be put on through the irrigation system of the Barnes Estates Limited; and he recommended that as their main canal would cross some of these additional parcels applied for, and as they were all necessary to round out and complete the lands set out in Schedule "A," the Department of the Interior should sell these additional parcels at one dollar per acre upon completion of the entire irrigation project.

The Minister, in view of the excellent bonâ fide work done to date by this Company, and in view of the Departmental Engineer's favourable report, recommends that he be authorised to sell the 581 acres, set out in Schedule "B" hereto attached, to the Barnes Estates Limited, at one dollar per acre, and on the following special conditions:—

(*a.*) The applicant to proceed with the irrigation project already under way to cover all the irrigable lands set out in Schedule "A" and "B" hereto attached, to the satisfaction of the Minister of the Interior.

(*b.*) Upon the completion, on or before the 1st October, 1911, of the irrigation system to cover all the remaining irrigable lands in Schedule "A," and also the irrigable portions of the additional lands set out in Schedule "B," the applicant to pay into the Department of the Interior the balance of 75 cents per acre on all the lands, when the remaining unpatented lands in said Schedules "A" and "B" will be patented.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.
